

How to list your land on AgriZameen

अपनी ज़मीन कैसे सूचीबद्ध करें

Send us your jamabandi on WhatsApp and we do the rest — that is the whole of it. Prefer to do it yourself? The seller account takes nine steps, with a real screenshot of every screen. Listing is free either way.

One step: send your jamabandi

बस जमाबंदी भेजिए

1 Send the jamabandi on WhatsApp

A photo of the paper or the PDF nakal from Apna Khata. Add the village name if the paper is faint.

जमाबंदी WhatsApp पर भेजिए।

2 We read it and build the listing

Khasra, khata, rakba and the village line are read off the document; the team checks them and calls you for anything missing.

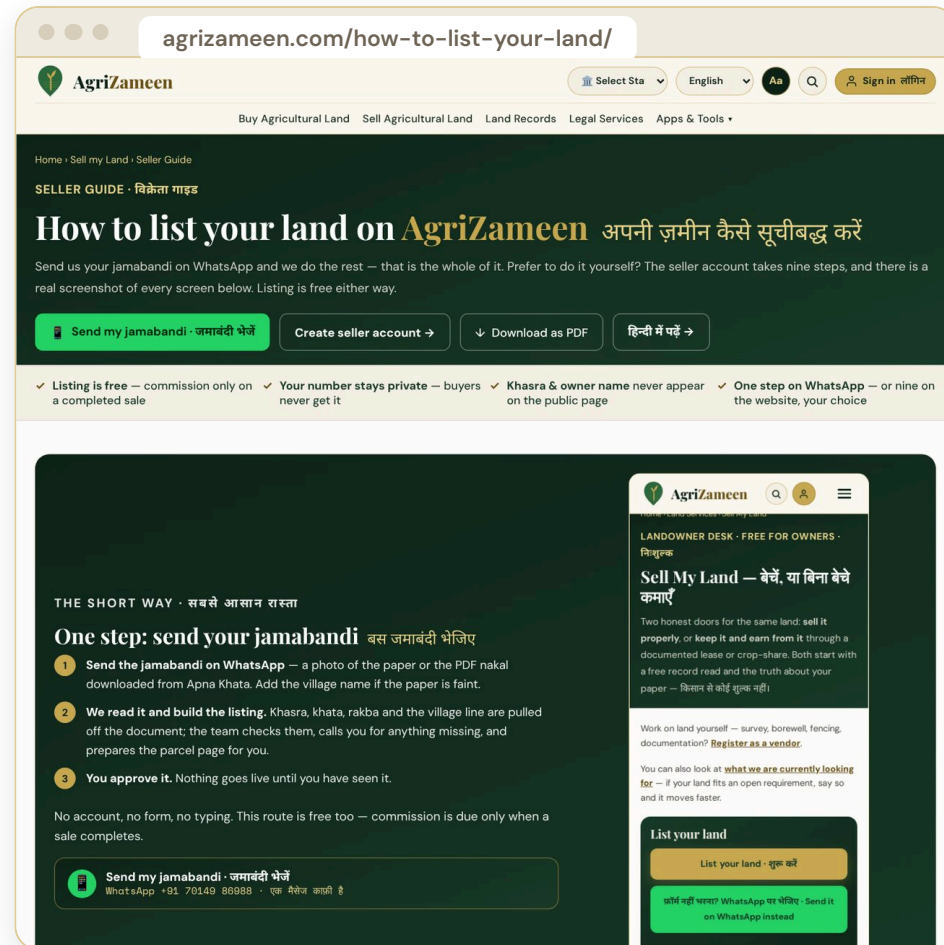

हम पढ़कर लिस्टिंग बनाते हैं।

3 You approve it

Nothing goes live until you have seen it.

आपकी मंजूरी के बिना कुछ लाइव नहीं।

No account, no form, no typing. WhatsApp [+91 70149 86988](https://wa.me/917014986988) — एक
मैसेज काफी है।

Keep these ready

ये तैयार रखिए

- ✓ An email address you can open today
- ✓ The mobile you actually answer
- ✓ One ID — PAN, Voter ID, Driving Licence, Passport, or a masked Aadhaar
- ✓ Your jamabandi or nakal — a photo or the PDF
- ✓ Four or five photos of the land, from your phone
- ✓ A rough idea of the area — bigha, biswa, acre, hectare, whichever you use

Missing something? Start anyway. Nothing here has to be perfect on the first try, and we fill the gaps with you on a call.
कुछ कम है? फिर भी शुरू कीजिए।

Your number is never shown on the website. WhatsApp verification is switched off at the moment — the number is saved, and our team calls it.

STEP 7

Submit your land

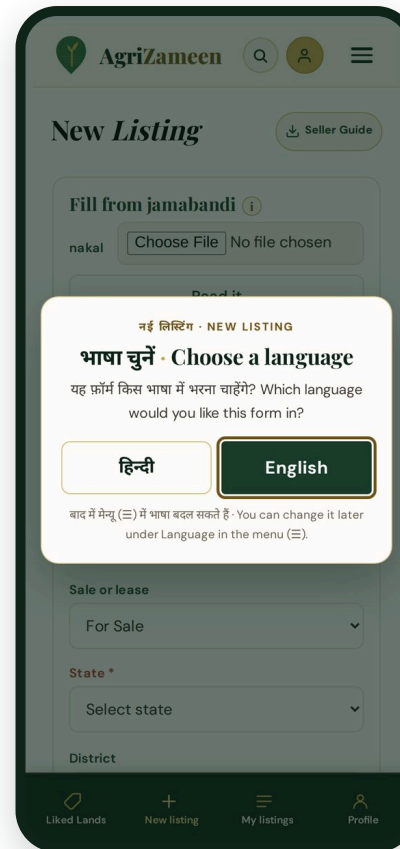

अपनी ज़मीन दर्ज करें

New listing asks which language you want, then lets you start by uploading the jamabandi in the record box — khasra, khata, rakba and the village line are read out of it and placed in the form, for you to check.

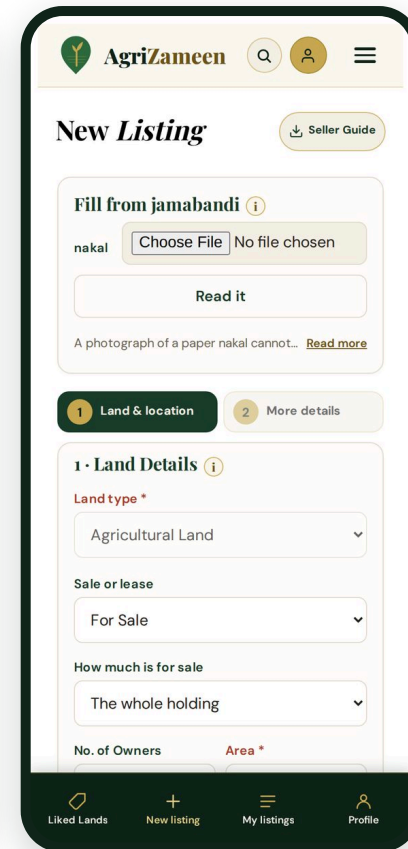

- ✓ 1 · Land Details — land type, sale or lease, how much is for sale, area and unit, classification
- ✓ Records — each khasra on its own line, with its rakba
- ✓ 2 · Location Details — state, district, tehsil, village, pin code, Google Maps link
- ✓ 3 · More Details — headline, who is listing, owned by, price, a description, photos

Save draft keeps your place. Submit for review when the paper and the pin agree.

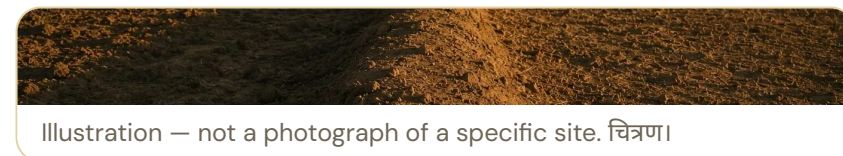

ड्राफ़्ट सेव करें, फिर जाँच के लिए भेजें।

STEP 8

Our team builds the listing

हमारी टीम लिस्टिंग बनाती है

You do not publish the listing yourself, and that is on purpose. Redacting a document, tracing the plot boundary and writing the listing stay with our team.

- ✗ Khasra and khata numbers
- ✗ The khatedar's name
- ✗ Your price floor
- ✗ The exact coordinates

These live in a separate place the public page does not read from at all.

यह सब अलग रखा जाता है।

The screenshot shows the 'Records' section of the AgriZameen app. At the top, there's a header with the AgriZameen logo, a search icon, a user profile icon, and a menu icon. Below the header, the 'Records' section is titled with an information icon. It contains a form with the following elements:

- A label 'Khasra *' with an information icon, followed by two input fields: one containing '123/4' and another containing 'rakba'.
- A button labeled 'Add another khasra'.
- A label 'Khata / Khevat' followed by an empty input field.
- A label 'Owner name on the record' followed by an empty input field.
- A checkbox labeled 'Mutation is in my name'.
- At the bottom of the form, there are four buttons: 'Back', 'Next →', 'Save draft', and 'Cancel'.

Below the form, there is a disclaimer in Hindi and English. The Hindi text says 'स्वतंत्र प्लेटफॉर्म — किसी सरकारी विभाग से संबद्ध नहीं।' and the English text says 'AgriZameen is an independent platform and is not a government body, nor affiliated with any state land-records department. [पूरा पढ़ें](#) · [read the full disclosure](#)'. At the bottom of the screen, there is a footer with the AgriZameen logo, the tagline 'ज़मीन है असली सोना' (Land is the real gold), the slogan 'Invest in Land. Grow Your Future.', and a 'GET IT ON Google Play' button. The bottom navigation bar has four icons: 'Liked Lands', 'New listing', 'My listings', and 'Profile'.

08 · Records stay private

STEP 9

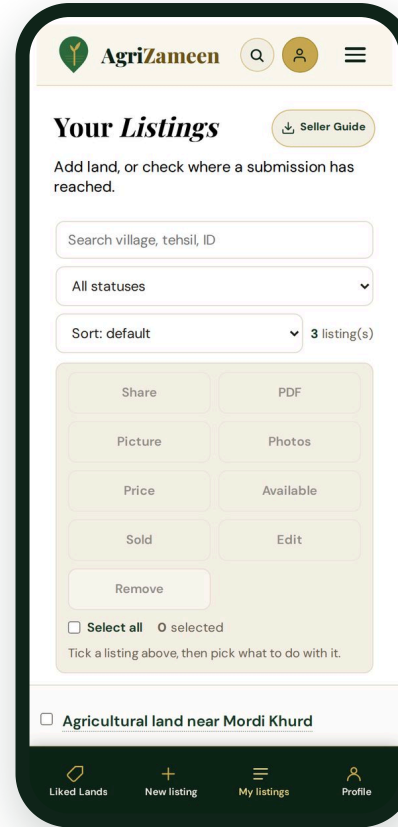

It goes live — and you stay in control

लिस्टिंग लाइव, नियंत्रण आपका

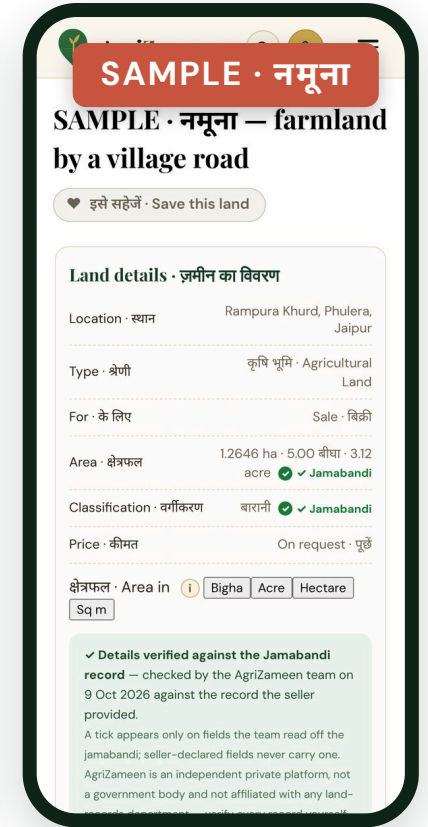

Your parcel appears on the public listings page. My listings gives you every control: Share, PDF, Picture, Photos, Price, Available, Sold, Edit or Remove.

When a buyer enquires, the enquiry comes to us — never to your phone. We screen it, then call both sides.
