Surveyors, dealers, JCB and road work, borewell, fencing, farm labour, soil testing, documentation, compliance. Tell us who you are and where you work.

Buyers and sellers in this belt spend a lot of time looking for someone who can actually do the work — measure a plot, sink a borewell, fence a boundary, run a registry. This is a register of those people.

There is no public list today. Right now this register is internal: we read what you send and call you when a buyer or seller needs your trade. We may publish a list later, which is what the second tick box below is about — it asks permission in advance and nothing happens under it until such a list exists.

Applying is not being listed. A person at AgriZameen reads every application, and some are declined. We do not rank, rate or feature anybody, and there is nothing here to buy: no paid placement exists on this register.

Advocates and legal consultants: choose the Advocate category below. Your details are held for our own reference and are never listed publicly — not now, and not if we open a public list later. If you would rather appear in the [advocate register](#), which follows rules written for professional conduct, use that instead.

The screenshot shows the 'vendor-register.php' page. It has a header with the AgriZameen logo and navigation links: Buy Agricultural Land, Sell Agricultural Land, Land Records, Legal Services, and Apps & Tools. Below the header is a form with several sections: 'EMAIL - OPTIONAL' (text input), 'DISTRICT' (dropdown menu with 'Jaipur' selected), 'YEARS DOING THIS' (text input), 'AREAS YOU COVER' (text input with 'Phulera, Sambhar, Naraina' entered), 'REGISTRATION NUMBER - OPTIONAL' (text input with 'GST, RERA or licence number' entered), and 'WHAT YOU DO, IN A LINE OR TWO' (text input with 'Chain survey and naksha work, mostly around Phulera.' entered). At the bottom, there are two checkboxes: 'AgriZameen may contact me about this application.' and 'If a public register is published later, my phone number and email may be shown on it. Leave this unticked and only my name and area would appear.' Below these is a 'Send application' button and a small disclaimer: 'Your details go to the AgriZameen team and are not shown anywhere today. If that changes, only what you have ticked above would appear, and never anything you left unticked.'

The screenshot shows the 'service-providers/' page. It has a header with the AgriZameen logo and navigation links: Buy Agricultural Land, Sell Agricultural Land, Land Records, Legal Services, and Apps & Tools. Below the header is a section titled 'Farm Service Providers' with the subtitle 'कृषि सेवा प्रदाता'. The text below reads: 'Polyhouse builders, drip irrigation, solar installers, borewell contractors, fencing and land levelling — a directory we are building for the Phulera-Sambhar-Naraina-Rupangarh belt.' Below this is a paragraph: 'Setting up land is where most first-time owners lose money. Quotes vary wildly, subsidy paperwork is confusing, and a badly built polyhouse or a dry borewell is an expensive way to learn who was serious.' At the bottom, there is a small graphic of a field with a fence and the text 'Farm service providers — categories we are building.'
